

I, François BOUCHER, Business Area Manager, Service Department, in AFNOR Certification, French certification body, certify that:

AXON'CABLE SAS
2, Route de Châlons-en-Champagne
51210 MONTMIRAIL France

was audited by our organization from September 17th to September 21th, 2018 according to ISO 9001:2015 and IATF 16949:2016 standards.

During this audit:

— AXON'CABLE SAS was certified according to ISO 9001:2015.
— The DESIGN and PURCHASING Departments, support functions of AXON'CABLE foreign subsidiaries, were audited according to IATF 16949:2016. For these processes, the quality management system of AXON'CABLE was found to comply with the requirements of IATF 16949:2016.

However, AXON'CABLE is not eligible for IATF 16949 certification, nevertheless AFNOR Certification is an IATF recognized certification body.

As a consequence:

— the audit was performed by a qualified automotive auditor,
— the complete audit process was carried out according to the IATF 16949 current process for all eligible companies (conformance with IATF Rules durations, audit report expertizing by an IATF 16949 expert,.....).

This document is not a certificate.

All communication about this one-page document should be used in respect of honesty and clarity principles.

It was made in:

La Plaine-Saint-Denis, on January 08th, 2019,

François BOUCHER
Business Area Manager
Service Department

Information: The issue of this document does not in itself guarantee conformity to legislative requirements and/or national or international regulations, AFNOR Certification having neither the intent nor the means to verify, if the company abides by any regulations or laws that may apply. Under no circumstances may the company claim that it or its products /services comply with regulations simply because it is a holder of this document.

Je soussigné, François BOUCHER, Responsable de Pôle au Département Service Clients Entreprises, AFNOR Certification, atteste, par la présente, que la société :

AXON'CABLE SAS

2, Route de Châlons-en-Champagne
51210 MONTMIRAIL
FRANCE

a été audité du 17 au 21 septembre 2018 par AFNOR Certification selon les référentiels ISO 9001:2015 et IATF 16949:2016.

Lors de cet audit :

- AXON'CABLE SAS a été certifiée selon le référentiel ISO 9001 :2015.
- Les Services CONCEPTION et ACHATS, fonctions supports des filiales AXON'CABLE étrangères, ont été audités selon le référentiel IATF 16949 :2016. Pour ces processus, le système de management de la qualité a été jugé conforme aux exigences du référentiel IATF 16949 :2016.

Cependant, AXON'CABLE SAS n'est pas éligible à la certification IATF 16949; néanmoins AFNOR Certification est un organisme certificateur reconnu par l'IATF.

En conséquence :

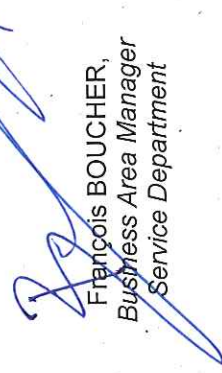

- L'audit a été réalisé par un auditeur automobile qualifié,
- Le processus complet de l'audit a été réalisé selon le processus actuel appliqué à toutes les entreprises éligibles (respect des durées des règles IATF, rapport d'audit expertisé par un expert IATF, etc.).

En aucune façon, le présent document n'est un certificat.

Toute communication relative au présent document d'une seule page, doit intervenir dans le respect des principes de clarté et de sincérité.

Fait pour valoir ce que de droit,

La Plaine-Saint-Denis, 08 janvier 2019.

François BOUCHER,
Business Area Manager
Service Department
